## Includes LSAT Practice Test Questions

*How to Ace the Law School Admission Test (LSAT), using our easy step-by-step LSAT study guide, without weeks and months of endless studying...*

Dear Friend,

On a beautiful late spring afternoon, this past year, a young woman received the devastating news. She had just gotten back her score on the LSAT test. It was not what she had hoped for. In fact, it was not even close to the expectations she had and what she thought her 4.0 grade point average would help her score on the LSAT test.

The worst part was that she knew that she could never get into the prestigious law school she had planned to go to with a LSAT test score that low.

Then she remembered her friends and felt even worse. All of her closest college friends had already gotten their LSAT test scores back and would easily get accepted into the law school they all planned to attend together. She had been procrastinating about taking the LSAT, because she hated standardized tests, and this only confirmed her hatred.

"Why do you have to take the LSAT to get into law school?" she angrily wondered.

She didn't look forward to having to tell the embarrassing news to her friends. "What would they think of her?" she thought, eyes brimming with tears, as she imagined her friends starting law school without her and the isolation and exclusion of being the one left behind.

## **How to Solve the Problem**

Unfortunately, this hypothetical situation occurs all the time. Someone thought they were going to the law school of their choice, told all of their friends, made plans for the future, and then got an embarrassing reality check from their score on the LSAT test.

Contrary to popular belief, the LSAT is not a measure of your academic performance, which is why students with a perfect 4.0 GPA rarely have a perfect score on the LSAT exam.

The LSAT is quite simply a measure of how well you did on the LSAT, which can be broken down into individual subtest scores on the Reading Comprehension, Analytical Reasoning, and Logical Reasoning tests, plus the Writing Sample.

Law schools use the LSAT test as a standardized measuring stick to determine who gets admitted and who benefits from the best scholarships they may have to offer. While it may not be fair, a student's entire academic career in college can be completely overshadowed by a single score on the LSAT test.

**LSAT Prep Study Guide 2013** Kyle Singhal,2013-07-01

Does the world really need another LSAT book The short answer is yes but only if it s the right kind of study guide What the world does not need is another LSAT book with generic test taking gimmicks written by people who have never actually taken a timed LSAT If you ask LSAT students what they disliked the most about commercial LSAT materials you ll likely hear I can understand what I m supposed to do but I can t actually do that in the limited amount of time I have on the test That s the problem Most of the methods in commercial courses and study guides are not designed to be efficient Instead they are full of generic tips that appeal to middle of the road students they fail to teach you how to actually apply those methods under time pressured circumstances That s where this book is different This book was written with four goals in mind 1 Have a Plan This book will give you a plan of action so that you can 1 Know what to work on 2 Know how to allocate your limited study time 3 Learn the key skills and logical principles that will actually help you improve your LSAT score 2 Understand the Questions This book will teach you not only what to do on any given LSAT question but how to recognize what kind of questions you re looking at in the first place Many study guides ramble at length about 25 types of questions without really teaching you how to tell the questions apart Whether your target LSAT score is 155 or 175 understanding what each question is calling for is crucial to improving your performance on the LSAT 3 Avoid Misleading Test Taking Strategies This book aims to teach you how to identify common pitfalls and traps on the LSAT without giving you bad advice Many LSAT books give generic test taking tips like Avoid any answer with words like always or never This is wrong As you will learn there are many questions on the LSAT where extreme language is actually desirable By learning how to recognize exactly what each

question is asking you will learn what kind of language is appropriate for the answer Extreme language may be a common pitfall but so is avoiding extreme language when it is actually the answer 4 Get the Big Picture This book aims to present you with the big picture how arguments work in day to day life In our experience as LSAT instructors we have noticed a trend students who make an effort to apply the logical principles on the LSAT to arguments in their daily lives tend to improve much more quickly than students who only study the LSAT on paper If you are open to changing the way you argue or to analyzing your own argumentative patterns odds are that you will come to a deeper more fundamental understanding of what the LSAT is testing This will help you not only on this test but as a law student and attorney

*The Best Law Schools' Admissions Secrets* Joyce Putnam Curll,2008-07-01 The ULTIMATE Insider Information on How to STAND OUT and GET ADMITTED When trying to beat the tough law school competition how do you know what will get you fast tracked to the yes pile or the dreaded no pile No insider is better suited to set you on the right track than Joyce Putnam Curll former Dean of Admissions for Harvard Law School The Best Law Schools Admissions Secrets is the ultimate collection of insider advice direct from one of the country s toughest admissions boardrooms Joyce Putnam Curll gives you all the tips and techniques you need to stay ahead including Preparing your application What sets law schools apart Behind the scenes of the admissions process Taking the LSAT Handling the cost Planning your career And much more No other law school admissions advice guide can claim this level of authority The Best Law Schools Admissions Secrets is sure to give you the edge you need to shine in the eyes of admissions boards everywhere
