Mercedes Benz Manual C107:

Mercedes-Benz SL & SLC 107 Series Brian Long,2015-06-24 It s hard to believe but the 107 series Mercedes Benz SL was launched almost 40 years ago However its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts as well as those going back to the car having owned one when they were still in dealerships The availability of the practical SLC an extended four seater fixed head coupe version simply adds to the desirability of these classic German machines A combination of superb original design peerless engineering and build quality has ensured that many of these cars can still be seen in regular use today Covering the SL and SLC s ever changing specification race and rally record and its presence in many of the world s major markets is a huge task but it s all presented here in definitive detail along with stunning contemporary photography in a volume that will readily grace any reference library shelf or connoisseur s coffee table The Autocar ,1969-07 MERCEDES-BENZ, the Modern SL Cars, the R107 and C107 Bernd S. Koehling,2015-08-11 You haven t gotten yourself a R107 yet Too bad the good ones can cost a small fortune today and they have only one way to go UP But don t worry plenty of them have been built and plenty of them are still around Problem is which one is the right one for you Can you imagine that even a low mileage good looking R107 can still far exceed your wildest imaginations when it comes to restoration costs Everybody seems to want a late model 560SL Why not an early 450SL for half the money The joy and pride of ownership is the same trust me Or how about one of the former longtime underdogs an SLC Also they start to appreciate a few of them even very fast faster than a mint 560SL If any of this is of interest then this new book published already earlier as e book is for you It does not only deal with development and history it also comes with a comprehensive buyer s guide for both the SL and SLC This includes a look at their price development over the past years Another focus has been the VIN and data card so that you have a better understanding how they were equipped and to which market they have been shipped first Superb recent photography from the author s collection can help you to find the right car or it might even serve as reference in a restoration project Naturally the paint and interior upholstery options full technical details plus the annual production history of each model are covered As a bonus rare insights into the R107 s almost unknown rally history are given **FREE BONUS** When you have bought this book you are eligible for a free pdf file of any Mercedes model such as W111 or W198 or R107 for example the author has covered in one of his books Please contact the author through his website inside the book and stipulate which free pdf file you want him to send to you **Cars & Parts** ,1973 Fenomén Mercedes-Benz & Čechy, Morava a Slezsko Samohýl Ladislav,Vacek Zdeněk,2015-12-21 Krom v sti n a tiv podan historie sv tozn m zna ky Mercedes Benz zasazen do ir ho kulturn ho ekonomick ho a technologick ho kontextu p in publikace atraktivn zpracovan ivotopisy sedmi kl ov ch osobnost s ko eny v esk m prost ed kter v znamn posouvaly v voj stuttgartsk ikony a spolu s n i sv tov ho automobilismu Samostatn kapitola je v nov na nejstar mu zna kov mu klubu na evropsk m kontinentu zalo en mu v eskoslovensku ji v roce 1963 V voj produkce v pr b hu v ce ne sta
