

Read the passage and answer the following questions:

Mundali village is popularly known as 'Moti Gaon' (village of beads). 80% people of this village are involved in bead-related work. Women of this village make beautiful tassels, bracelets, strings, earrings and wall hangings with beads. Farhana and her daughters earn between Rs.500 to Rs.700 a day by working in this industry. Akash, a handicraft artist makes decorative items from beads using lace and jute. He earns close to Rs.500 to Rs.1000 per day. He wants to set up his own manufacturing unit one day. But this business demands patience and practice with speed. Pouring tiny beads into thin nylon threads to make intricate designs can not be done using machines. People of this village have picked up a good deal of expertise in bead work with their hard work. This business has also brought prosperity and employment to this village. As bead work comes under handicraft category, administration also provides the artisans platform to exhibit their work and products. These exhibitions are attended by buyers and exporters. This helps the artisans to showcase their talent to the world.

Q1. Why is Mundali village known as village of beads?

Q2. How much money does Akash earn in a day?

Q3. Which qualities are needed to work in bead industry?

Q4. Which items are made by women of Mundali village using beads?

Q5. How does administration help the artisans of Mundali Village?
