English B Cp Unit 6:

Nationalism from the Left Yannis Sygkelos, 2011-01-19 Nationalism from the Left analyses the case of the BCP as a Marxist institution which increasingly adopted and adapted nationalism it contributes to the examination of the relatively underresearched field of communist national propaganda as only in the last decade have researchers become interested in this topic It explains the reasons for this and provides evidence of the Party s nationalism across a number of spheres of political life domestic and foreign policy school text books historiography festivities and symbols Thus the Marxist nationalist discourse of the BCP was all encompassing In contrast to many works on national communist parties Nationalism from the Left identifies many international parallels and presents an historical introduction to the reconciliation of Marxism and nationalism
