

Lumber Liquidators Holdings, Inc. (LL)

Neutral

Model Update

CONCLUSION

We are lowering our Q2 comp and EPS estimates considering what appears to be a sluggish industry backdrop in Q2. We are also lowering our full year gross margin estimate as prior guidance only assumed 10% tariffs, which has since moved to 25%. As a result our PT goes from \$13 to \$12.

RISKS TO ACHIEVEMENT OF PT & RECOMMENDATION

Risks include macroeconomic factors affecting the housing market and remodeling activity, product availability, supplier dependence, execution of store expansion strategy.

COMPANY DESCRIPTION

Lumber Liquidators is the largest U.S. specialty retailer of hardwood flooring products.

Lumber Liquidators Annual Report Introduction

In the digital age, access to information has become easier than ever before. The ability to download Lumber Liquidators Annual Report has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lumber Liquidators Annual Report has opened up a world of possibilities. Downloading Lumber Liquidators Annual Report provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lumber Liquidators Annual Report has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lumber Liquidators Annual Report. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lumber Liquidators Annual Report. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lumber Liquidators Annual Report, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Lumber Liquidators Annual Report has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security

when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
