Read the passage below.

Once upon a time, in a small village nestled in the mountains, lived a young girl named Emma. Emma was known for her curious nature and adventurous spirit. One sunny afternoon, while exploring the forest near her village, she stumbled upon a hidden cave. The entrance was covered with thick vines, but through a crack, she saw the glimmer of light, and she decided to investigate.

As she pushed the vines aside, Emma noticed a faint glow coming from deep within, with each step she gave greater progress, leading her further into the mysterious cavern. Finally, she reached a great chamber where she found an ancient book lying on the ground, its title written in gold and shimmering letters.

Emma carefully picked up the book and studied it for hours. She could feel a magic force pulsing through its pages. Determined to learn, she decided to open the book to see her destiny. As she flipped the pages, a soft light emanated from the book, and she was transported to a new world, one where she could experience the wonders of the universe.
