Chromecast User Guide Lisa Thompson, 2014-12-11. Chromecast looks like your average pen driver that only has the Chrome logo, but it is much more than that. It is a digital media streaming device developed by Google that lets you enjoy your favorite YouTube videos and other media from your phone, computer, or tablet onto your TV. It serves as a channel to show internet content you want to see on a bigger screen, like your high-definition TV. With an inexpensive price of \$35, people might think that Chromecast does not offer as much, but it actually does.
