Austen - Emma. English Edition Jane Austen, 2025-03-19 Headstrong confident young and very beautiful Emma Woodhouse is one of the great female characters in world literature. Seemingly only concerned with the romance of others, she decides to inject a little more zest into her friends' love lives. But her efforts fail and lead to the strangest of entanglements. It is only in the end that things take a turn for the better. Jane Austen's last novel, published in 1817, one year before her death, still captivates us with its brilliant language, its incisiveness, and the wonderful wit of its dialogues. I am going to take a heroine whom no one but myself will much like. Jane Austen about Emma. English edition for the anniversary year 2025. Jane Austen's 250th birthday. Jane Austen was born on December 16th 1775. *Muhenda (English version)* Wilson Miguel, After the success and also the breaking of the law of the black lives matter movement, all blacks around the world were expelled, forced to return to Africa, creating a political division between blacks and whites. But the explosion of global warming and the rupture of the ozone layer grants world dominion and power over the only kingdom on the planet that holds natural resources, the kingdom of Muhenda in Africa. A place where white people were never welcome. However, an agent of the intelligence of the whites manages to enter Muhenda. The king of Muhenda is murdered, and the white man is sentenced to death for the crime, and as retaliation, all the remaining whites were made slaves. Years later, a dictator and tyrant empire rises, dominating all of Africa, inflicting terror, oppression, inequality, and pain. Led by the new king of Muhenda and the brother of the deceased emperor Luther Nankela, that situation forces Sowety, a young African warrior queen, and Selena, a young white slave, to stand up, step up, and fight against the new system. Two different women, two enemy races, one almost impossible, gold, freedom. **An English Version of the Eclogues of Virgil** Virgil, 1883 **Materials for the Study of the Old English Drama** Henry de Vocht, 1930 *Strange Red Ground (English Version)* Ronny Eckert, 2018-02-12.
