My First Day, 2022-10-19 I wrote this book to help girls learn more about the transition from girlhood to womanhood I realised it is taboo even to mention a girl s menstrual cycle in some countries and I want to change that by writing this book In this book you will find chapters that will help to answer your burning questions and an excellent period tracker at the end you will also get a few bonus chapters and some more knowledge about your amazing female body so you can learn more about your menstrual cycle and some changes you might go through and how to deal with them In my secondary school many girls started their periods without knowing what was happening to their bodies I remember a girl saying she drank cranberry juice and it came out again later Another girl started her class cycle finding a blood stain on her seat and uniform I genuinely believe that my book could help girls learn about what is happening to their bodies and reassure them that it is all part of the natural process of becoming a woman I dream of empowering girls so they do not have to be taken by surprise on their first day In my family my mother sister and grandmother talked to me to prepare me for my first day and I pray that my book will help you to understand more about your amazing female body

Im a VSCO Girl Frances Journal, 2020-01-31 Your daughter is 10 years old and is concerned about having her first period Our most popular book for girls to prepare them for their first period has been improved with additional illustrations and added text This books answers questions that all young girls are asking as they prepare for their first period Why have my emotions changed What is a period and how do I prepare for it What is ovulation Will I have a period every month The text and illustrations are age appropriate

Beautiful Girl, You Are Going to Be Rich!! Joanna W Ku, 2019-12 Beautiful Girl is the first and only book written for 10 13 year old girls on how to invest in the stock market It s not too early to start to learn in middle school Because time is an investor s friend This charming book uses a language and visuals that is young and female Using a light hearted approach we show girls that investing can be interesting easy and social In this book we teach about the basic vocabulary of stock investing such as stocks dividends shareholders and index funds By the time the reader finishes reading the book she will have learned all the knowledge to enable her to open her first
