##### Example Paragraph 13

Some people may think that Mimi Robertson has an easy job, but she really does not. Mimi is a kindergarten teacher at King Elementary School. She teaches 22 very young children. Mimi's class of kindergarten students begins at 8:30 a.m., but she does a lot before then. Every day she arrives at work just after 7:30 a.m. Mimi has to organize her supplies and prepare the room for her students. If one of the parents is in class that day to help, then Mimi has to explain the lesson plan to the parent before class. After the students arrive at 8:30, the class begins. The young students in her class keep her extremely busy for the rest of the day. They play games and learn new things. However, there are always a few small problems. Mimi's young students do not always listen to her, and sometimes they fight or cry. Every now and then, one child shouts, but Mimi tries to be very patient with all of her students. After school, she must attend meetings and create new lessons. Mimi says she loves her job, but it really is a great deal of work.
