Engine Software Update (ESU)
Applied to vehicles in the US.

Why is this recall important?
The recall involves the engine control software. The software update will improve engine performance and fuel economy. It will also help you identify and solve engine problems faster.

What are the symptoms?
You may notice the engine has a rough idle or the engine stalls at times.

What is the fix?
A software update will be performed at a dealer or authorized service center.

What if I don't get the fix?
If the dealer cannot update the software, you may be eligible for a refund or replacement vehicle. Contact your dealer for more information.

How long will it take?
The software update should take about 30 minutes. Your dealer will contact you when it's time to schedule the update.

What should I do?
If you notice any of the symptoms, contact your dealer immediately. You may also want to schedule the update proactively.

What should I do if I don't get the fix?
If you do not get the fix, you may be eligible for a refund or replacement vehicle. Contact your dealer for more information.
