Franchise Opportunities Handbook ,1988 This is a directory of companies that grant franchises with detailed information for each listed franchise

Organizing the Extended Enterprise Paul Schönsleben,Alfred Büchel,2013-06-05 For many years production management has no longer been confined to individual production facilities Intensive cooperation with suppliers has become an integral part of production management In recent

years two further developments have gained ground On the one hand enterprises have been specialising and concentrating on their core competencies with outsourcing as a consequence on the other hand globalization has intensified the range of choice among suppliers Increased dependence on suppliers called for new forms of cooperative ventures Strategic and legal issues had to be considered and production management had to include sophisticated logistic chain management These developments have led to the concept of Extended Enterprise Among many other topics this book discusses co operation between companies supply chain management agile and virtual management integration of the logistic chain and production and logistical strategies The book comprises the proceedings of the Working Conference on Organizing the Extended Enterprise sponsored by the International Federation for Information Processing IFIP which was held in Ascona Switzerland in September 1997 It will be of great importance to researchers managers and consultants in production logistics and information and other areas of organizational development
