Taylor,2015-06-25 Excerpt from A Teaching Plan of Grammar Any one with large experience in supervision must be aware that it is difficult to secure satisfactory results in grammar I learned this lesson nearly twenty years ago while I was principal of an elementary school A superintendent gave me the hint after visiting all the classes of the school that grammar needed attention In an effort to discover the cause of our failure I came upon this condition The teacher of the highest class informed me that the children came to him without knowing any grammar the next lower teacher gave the same excuse and similar reports came from all the teachers clear down to the fifth grade where the subject started They were all right and this was the reason There was no plan in the school to analyze the subject arrange it in orderly sequence articulate grade with grade and provide for systematic reviews Each teacher interpreted the syllabus for himself The result was just what it will be in any school where the conditions are similar Although each teacher worked hard and faithfully grammar was a failure I therefore prepared a plan for the school which was published later in a pamphlet edited by me entitled Practical School Problems About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [Common Core Literacy Lesson Plans](#) Lauren Davis,2013-10-11 Schools nationwide are transitioning to the Common Core our advice to you Don t go it alone Our new book Common Core Literacy Lesson Plans Ready to Use Resources K 5 shows you that teaching the Common Core State Standards in the elementary grades doesn t have to be intimidating This easy to use guide provides model lesson plans for teaching the standards in reading writing speaking listening and language Get engaging lesson plans that are grade appropriate easy to implement and include ready to use reproducible handouts assessments resources and ideas to help you modify the lesson for both struggling and advanced learners Our Common Core Literacy Lesson Plans are designed to fit seamlessly into your K 5 curriculum You get practical
