See the Appendix in this manual for details on the features of the remote control. To the best of our knowledge, the operating instructions for the original remote control are correct as of the date of issue.

Battery Location

1. Remove the battery compartment cover from the device compartment and it is located in the back of the unit.
2. Insert the 6 AAAA alkaline batteries (not included) according to the diagram inside the Battery Compartment and remove Battery Compartment cover.
3. Press the **ON** button for 10 seconds to activate the Smart 1 remote for battery use by again.

Battery Handling and Usage

WARNING: Only adults should handle batteries. Do not allow a child to use the product unless the Battery Compartment has already opened in the Battery Compartment or instructions on its proper usage instructions.

- Always handle batteries in a safe and correct manner.
- Keep batteries away from children and pets.
- Do not use a used battery with a new battery in the device compartment due to leakage.
- Do not use batteries showing the signs of aging (i.e., do not include inside the device compartment). Failure to observe steps for battery safety can cause personal injury and/or property damage.
- Remove the cap to depress the button from the battery. The cap will separate when not using the product in an emergency.
- Never throw batteries in the fire. Do not reuse batteries if they are not used.
- Dispose of used and unopened batteries in accordance with instructions. To make disposal easier, see the following website:

3. Program

Entering a code manually
