Robert E. Solomon

Manual Fire Detection Systems:

Contractor's Guide to the Building Code Jack M. Hageman, 2008 Don't let your jobs be held up by failing code inspections. Smooth sign off by the inspector is the goal but to make this ideal happen on your job site you need to understand the requirements of latest editions of the International Building Code and the International Residential Code. Understanding what the codes require can be a real challenge. This new completely revised Contractor's Guide to the Building Code cuts through the legalese of the code books. It explains the important requirements for residential and light commercial structures in plain simple English so you can get it right the first time.

Hand-book of Fire Protection Crosby Everett U., 1924

Fire and Life Safety Inspection Manual Robert E. Solomon, 2002 Protect lives and property with state of the art guidance on conducting safe thorough accurate inspections. Expanded with updated facts and new chapters. Completely revised and updated to reflect the latest procedures and code requirements the Fire and Life Safety Inspection Manual is your step by step guide through the complete fire inspection process with special emphasis on life safety considerations. Formerly the NFPA Inspection Manual it covers the full range of hazards and gives you solid advice on identifying and correcting problems. Easy to follow checklists help you remember and record every important detail. Early chapters provide important background information while the second half presents inspection guidelines for specific fire protection systems and occupancies that are based on the Life Safety Code R. In addition to discussing fundamentals such as inspection procedures and report writing this comprehensive manual now includes all new chapters on Housekeeping and Building Procedures, Water Mist Systems, Day Care Occupancies, Ambulatory Health Care Facilities and Semi Conductor Manufacturing. With 150 illustrations, more sample forms and a larger format this acclaimed manual is more helpful than ever. Perfect for use in the field the Manual features a new 8 1/2 x 11 size with full page checklists at the back of the book linked to individual chapters. Detailed visuals throughout help you understand complicated concepts. Whether you're just starting your career as a fire inspector or ready to brush up on the basics the Fire and Life Safety Inspection Manual has the reliable inspection advice you need.
