Anatomy of the Classic Mini Mark Huthert, 2020-02-21 The Mini's long production life saw many model changes and literally thousands of component changes making choosing and assessing the correct part for a classic Mini very difficult. This book is the result of years of research and comprises almost 2000 photos showing these component variations with captions explaining which Mini model and date each was originally designed for. With no German parts listed, this book is an essential volume for all restorers of classic Minis looking for true authenticity and an invaluable reference source.

Flammang, 1992 This book provides a wealth of detailed information that collectors, investors, and restorers of imported cars will not find in any other book. This massive volume spans the marques of imported vehicles. The list includes such familiar names as Alfa Romeo, Aston Martin, Bentley, Citroen, Jaguar, Lamborghini, Porsche, Rolls Royce, Saab, and Volkswagen. Also in these pages, you'll find details on such lesser-known, yet no less intriguing, marques as Abarth, DAF, Frazer Nash, Humber, Iso, Nardi, Panhard, Peerless, Sabra, and Skoda. The book also highlights model changes and corporate histories and provides value information on the most popular models of imported cars.

Frommer's Caribbean Cruises & Ports of Call

2002 Heidi Sarna, 2001-09-15 A cruise is a complete vacation so it's important that you choose the one that's right for you. Frommer's Caribbean Cruises is the most user-friendly, opinionated, and informative guide you can buy before you set sail. Unlike other guides that try to cover cruises around the entire world in one volume, we focus solely on the Caribbean so we can bring you much more in-depth coverage. Unlike those used in other guides, our rating system is simple. We break down the essential elements of a cruise experience: dining, activities, children's activities, entertainment, service, overall enjoyment, and overall value, and rate them from poor to outstanding. Photos of each ship, combined with the text, give a better sense of the very real differences among the various lines. Most important, this is the only cruise guide that provides the real prices people pay for cruises, not just the rack rates. Other guides tell you that a seven-night cruise aboard Celebrity's Mercury costs 1,795. You can pay that if you want to, but only Frommer's tells you that the same cruise is selling for 895. We give both the rack rates and the discount price for every cruise in the Caribbean. This feature alone makes Frommer's Caribbean Cruises by far the most valuable trip-planning book among cruise guides. Our author, a noted cruise expert who has personally checked out every ship sailing the Caribbean, offers candid and unbiased opinions on them all. She's completely up-to-date with all the latest developments and the newest ships. You'll also get complete coverage of 34 Caribbean port destinations with advice on how to spend your limited time ashore.
