Missing You English Edition:

The Collected Writings of Franz Liszt Janita R. Hall-Swadley, 2016-10-13 The Collected Writings of Franz Liszt
Dramaturgical Leaves Richard Wagner completes the second half of Liszt's writings about stage works its composers and music drama In this volume Liszt focuses on the works of his most controversial devotee and son in law Richard Wagner whose music dramas Liszt championed as conductor during his tenure in Weimar Here we see Liszt prove his skill and expertise as a music critic as well He offers a critical analysis of the aesthetic and musical principles that underlie Wagner's operas Tannhäuser Lohengrin and The Flying Dutchman including a thorough discussion of Wagner's Leitmotif system of composition Additionally his findings are substantiated with a plethora of music examples which will satisfy those who wanted greater musical substance from his writings He also foretells the magnitude of Wagner's influence on prosperity in his pamphlet length essay The Rhine's Gold Finally the editor and translator of this volume Janita Hall Swadley provides a unique perspective on these same principles which is based on Wagner's own mysterious diagram of The Philosopher's Stone which was supposed to be included in the original 1863 edition of the composer's important writing Opera and Drama but never made it to publication
