Events and Sustainability Andrew Smith,Judith Mair,2022-09-05 This book examines the links between events and sustainability with a particular focus on how festivals and events contribute to making places more inclusive resilient and sustainable Previous sustainability research in events often focused on reducing the negative environmental impacts with a corresponding lack of consideration of socio economic dimensions More recently research has begun to consider events in relation to a range of economic and social issues highlighting the growing importance of examining events through a critical lens This book adopts a critical and broader approach to event sustainability arguing that scholars should examine how events might contribute to sustainable development rather than merely exploring how individual events could be made more sustainable Accordingly the contributors to this edited book address how events might change attitudes and behaviours by promoting sustainable lifestyles communities and technologies Following a detailed introduction the book features 16 chapters written by scholars from across the world The chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism

Making Ireland Irish Eric G. E. Zuelow,2009-03-01 From the dark shadow of civil war to the pastel painted towns of today Making Ireland Irish provides a sweeping account of the evolution of the Irish tourist industry over the twentieth century Drawing on an extensive array of previously untapped or underused sources Eric G E Zuelow examines how a small group of tourism advocates inspired by tourist development movements in countries such as France and Spain worked tirelessly to convince their Irish compatriots that tourism was the secret to Ireland s success Over time tourism went from being a national joke to a national interest Men and women from across Irish society joined in eager to help shape their country and culture for visitors eyes The result was Ireland as it is depicted today a land of blue skies smiling faces pastel towns natural beauty ancient history and timeless traditions With lucid prose and vivid detail Zuelow explains how careful planning transformed Irish towns and villages from grey and unattractive to bright and inviting sanitized Irish history to

avoid offending Ireland's largest tourist market the English and supplanted traditional rural fairs revolving around muddy animals and featuring sexually suggestive ceremonies with new family friendly festivals and events filling today's tourist calendar By challenging existing notions that the Irish tourist product is either timeless or the consequence of colonialism Zuelow demonstrates that the development of tourist imagery and Irish national identity was not the result of a handful of elites or a postcolonial legacy but rather the product of an extended discussion that ultimately involved a broad cross section of society both inside and outside Ireland Tourism he argues played a vital role in making Ireland Irish **A Holiday Magazine Travel Guide: Ireland**, 1969 DK Eyewitness Travel Guide: Europe Dorling Kindersley, 2010-02-15 DK Eyewitness Europe travel guide in this new ebook format will lead you straight to the best attractions this diverse continent has on offer Packed with photographs illustrations and detailed maps discover Europe from the majestic peaks of the Alps to the turquoise waters of the Mediterranean The guide provides all the insider tips every visitor needs from how best to explore the luscious green landscape of Ireland to lazing on a beach in Greece with comprehensive listings of the best hotels resorts restaurants and nightlife in each region for all budgets You'll find 3D cutaways and floorplans of many of the must see sites plus street by street maps of some of the best cities Europe has to offer DK Eyewitness Europe explores the culture history architecture and art of the continent not forgetting the best of Europe's gardens beaches cathedrals castles and shopping With up to date information on getting around by train car walking in cities and all the sights and resorts listed town by town DK Eyewitness Europe is indispensable Don't miss a thing on your holiday with the DK Eyewitness Europe
