Floyd Clymer publication of the official Honda Factory Workshop Manual specific to the 1962 1969 n10 50cc Sport Cub
series of motorcycles This manual includes all of the data that you would expect from a factory publication for the repair and
overhaul of all major and minor mechanical and electrical components It also includes a comprehensive troubleshooting
section plus tables of technical data tolerances and fits making it an invaluable resource for collectors and restorers of these
classic Honda motorcycles There are 55 illustrations and each procedure is explained in a step by step method using an
appropriate illustration The translation from Japanese to English is at times a little quirky but the illustrations make up for
any difficulty in understanding what needs to be done There are separate sections that deal with the repair and overhaul
procedures for the engine transmission wheels and brakes front forks frame and carburetor plus a detailed electrical service
section This is a must have reference for any Honda enthusiast and would certainly assist in helping any potential purchaser
better understand the inner workings prior to purchasing one of these classic motorcycles Out of print and unavailable for
