Worldwide Music Conference 2021** Ildar D. Khannanov,Roman Ruditsa,2021-04-12 This book presents sixteen chapters in
Volume 1 This Volume I of the Proceedings of the Worldwide Music Conference 2021 offers a smorgasbord of scientific
approaches to music The congress is one of a kind it is dedicated not to a specific field but to the interdisciplinary
developments and the interaction with the representatives from actual scientific disciplines The languages of mathematics
computer science semiotics palaeography and medicine are in the mix geography of the studies is also impressive Greece
Mexico China Russia India Poland and USA to name just a few The purpose of such juxtaposition is to see how the
terminology categorical apparatus and interpretations of music vary from science to science and how this can enrich the
terminology of music theory They cover a wide range of topics that the editors divided into four subfields music in
interdisciplinary contexts music and current technology musical instruments and voice and music pedagogy and medicine
The opening section of the Proceedings is thus dedicated to the idea of interdisciplinarity relationship of creator of theory of
harmony Rameau to sciences of his time the idea of number in music co creation and the category of musical network Three
more chapters here deal with Russian palaeography Indian musical genre and the idea of musical semiotics It is a kind of
opening statement from music theorists Part two music and current technology united three chapters on zero gravity concept
in modern music discussion of scales as mathematical networks and the innovation in digital music making transforming it
from stationary to mobile applications The third part musical instruments and voice is of special interest because it is in the
study of the instruments the design acoustic characteristics and tuning and sciences have cooperated with music theory for
centuries In addition to instruments one chapter here is dedicated to voice The last part musical pedagogy and medicine
takes the reader even further into the interdisciplinary domain The Proceedings is written in standard English language
prepared for the pleasure of reading of wide circles of professionals in different fields The purpose of the editors is to bring
this rather diverse set of texts into the context of a fruitful dialogue **Bangkok People** James Eckardt,1999 Author s
