Afterward, you meet Ray Boccia with a message: "I might give you a call sometime."

### Mission

Head to a four-door car and drive to the waste spot. You'll need a four-door car to fit all four of you. Once you find a suitable vehicle and the car is in (7), drive it to the Mafia-controlled waste management plant under the bridge in (7). Drive it to the Mafia-controlled waste management plant under the bridge in Colony Island. On the way, Packie explains that the operation just got off to a bad start, another by courtesy of Ray Boccia. He also talks about the fact that you can't really trust anyone in the city, and you have some McReary family members, including some choice bits about Packie's brother Francis, known as "Frankie" for short.

When you finally arrive at the destination, you'll find a parking lot full of cars. Drive into it to start a quick scene in which you'll get out of the car. The scene is in an office in the city's main building, and you'll head out back to the car.

Get inside the office. The green icon marks the money's location in the quest. Come over the back side of the building, enter and open fire on the depot's Mafia guards. The yard is filled with cars and crates useful for cover. Don't be too passive in this fight; you don't want the cops or the others to fall, and they're blowing party of five. If you don't have the money, one of your crew will die and you'll fail the mission. Use grenades to weed out all unwanted enemies. Note the first Aid Kit on the ground near the door too.

Grab all of the money, however. After the last one falls, Packie declares it's time to go back and find the money.

Get the cash from the office. Enter the double door entry and immediately duck into cover behind the low striped barrier to the right. Packie and the others lay down covering fire to let you help them pick off a few more Mafia goons from the elevated balcony, then lead the way across the past floor. Watch out for gunmen on the upper level.

Fight your way up the stairs and follow the walkway to the raised office. Run the bag of cash on the office floor. If you see the green marker over it, it'll bring the bag over the obstacle.
