

The book cover features a composite image. The top half shows a space scene with a white satellite or space station component floating in the black void of space, with a colorful nebula in shades of purple, red, and blue in the background. The bottom half shows a person in dark winter gear and a large backpack climbing a steep, snow-covered mountain slope. The person is using ice axes and is positioned in the lower center of the frame. The overall background transitions from black at the top to a light, hazy sky at the bottom.
