Games in Libraries Breanne A. Kirsch, 2014-02-11 Librarians are beginning to see the importance of game based learning and the incorporation of games into library services This book is written for them so they can use games to improve people's understanding and enjoyment of the library Full of practical suggestions the essays discuss not only innovative uses of games in libraries but also the game making process The contributors are all well versed in games and game based learning and a variety of different types of libraries are considered The essays will inspire librarians and educators to get into this exciting new area of patron and student services **EBOOK: Rethinking Superhero and Weapon Play** Steven Popper, 2013-02-16 Rethinking Superhero and Weapon Play offers a fresh and knowledgeable insight into children's fascination with superheroes and weapon play It explores what lies at the heart of superhero and weapon play and why so many children are drawn to this contentious area of children's play This innovative book offers A detailed look at why many early years professionals and teachers are cautious about superhero and weapon play Does weapon play make children more violent Do goodies versus baddies stories make children more confrontational Do superheroes offer positive gender role models The book tackles these questions and suggests some alternative perspectives as well as offering practical advice about keeping children's superhero and weapon play positive and productive An exploration of how superhero and weapon play relates to the development of children's moral values moral principles and moral reasoning the building of children's cooperation empathy and sense of community and the development of children's sense of self and self esteem Discussion of the deep moral themes that lie within superhero narratives and how superhero characters and narratives can be used to enhance and deepen children's understanding of good character moral responsibility attachment prejudice and ill treatment and why it is important to be good in the first place A wealth of learning opportunities and suggestions of ways to use superheroes to advance children's moral philosophical and emotional thinking This book is an excellent resource for those studying or working in early years or primary education who wish to understand the phenomenon of children's superhero and weapon play and make the most of

children's enthusiasm for it Warm funny smart and honest the argument made in Steven Popper's book astutely and with a sharp eye for detail teases out many subtle reflections on morality childhood development and the paradoxes of human nature through the lens of our much loved Superhero narratives He is able through nuanced and well supported argument drawn from both theory and practice and from pedagogy and real life to present a compelling and detailed account of the ways in which these stories might interface with the moral development of children The book offers a rich and articulate narrative of its own which aims at the good in its desire to propose that immersion in such superhero narrative play can teach children about ethics social responsibility and what it is to be human This is also a wonderful contribution to debates around the role of mass media in promoting critical thinking and enquiry among children Dr Sheena Calvert Senior Lecturer University of Westminster UK This book authoritatively assesses the virtues of engaging in superhero play with young children It argues that far from damaging children and encouraging them to adopt unthinking aggressive behaviours superhero play is an implicitly moral activity It encourages children to explore profound moral and ethical thinking This book is both a well researched account of the appeal that superhero play has for children of both sexes and a practical guide to how such play can be used imaginatively in early years settings Rob Abbott Senior Lecturer in Early Childhood and Education University of Chichester UK

**Focus On: 100 Most Popular 2010s Adventure Films** Wikipedia contributors, **Level Up!
