tour of trivia across America He goes head to head with the blowhards and diehards of the college quiz bowl circuit the slightly soused faithful of the Boston pub trivia scene and the raucous participants in the annual Q A marathon in Stevens Point Wisconsin The World s Largest Trivia Contest And of course he takes us behind the scenes of his improbable 75 game run on Jeopardy But above all Brainiac is a love letter to the useless fact Who knew that there s a crater on Venus named after Laura Ingalls Wilder Ken Jennings that s who Engaging and erudite Brainiac is an irresistible celebration of nostalgia curiosity and geeky obsession in a word trivia

**Learning and Literacy over Time** Julian Sefton-Green, Jennifer Rowsell, 2014-09-25 Learning and Literacy over Time addresses two gaps in literacy research studies offering longitudinal perspectives on learners and the trajectory of their learning lives inside and outside of school and studies revealing how past experiences with literacy and learning inform future experiences and practices It does so by bringing together researchers who revisited subjects of their initial research conducted over the past 10 20 years with people whom they encountered through ethnographic or classroom based investigations and are the subjects of previous published accounts The case studies drawn from countries in three continents and covering a range of social worlds offer an original and at times quite an emotive interpretation of the effects of long term social change in the UK the US Australia and Canada the claims and aspirations made by and for certain kinds of educational interventions how research subjects reflect on and learn from the processes of being co opted into classroom research as well as how they make sense of school experiences some of the widespread changes in literacy practices as a result of our move into the digital era and above all how academic research can learn from these life stories raising a number of challenges about methodology and our claims to know the people we research In many cases the process of revisiting led to important reconceptualizations of the earlier work and a sense of seeing with new eyes what was missed in the past The reflections on methodology and research processes will interest postgraduate and academic researchers The studies of change and of long term effects are widely relevant to teacher educators and scholars in language and literacy education educational anthropology life history research media and cultural studies and sociology

**Extraordinary Means** Robyn Schneider, 2015-06-04 John Green s The Fault in Our Stars meets Rainbow Rowell s Eleanor Park in this darkly funny novel from the critically acclaimed author of The Beginning of Everything Up until his diagnosis Lane lived a fairly predictable life When he s sent to Latham House a boarding school for sick teens Lane thinks his life may as well be over But when he meets Sadie and her friends a group of eccentric troublemakers he realises that maybe getting sick is just the beginning That illness doesn t have to define you and that falling in love is its own cure Robyn Schneider s Extraordinary Means is a heart wrenching yet ultimately hopeful about true friendships ill fated love and the rare miracle of second chances Praise for Extraordinary Means This captivating book about life death fear and second chances will fly off the shelves VOYA Schneider s subtlety combined with themes about learning to live life fully makes this an easy recommendation for those seeking titles similar in premise to John Green s The Fault in Our Stars School

Library Journal The perfect read next for fans of the sick lit trend and readers looking for a tear stained romance Bulletin of the Center for Children s Books Fans of John Green s blockbuster The Fault in Our Stars who are eager for more of that kind of story will likely be satisfied Booklist
