

If I could choose to be a superhero I'd definitely choose to be Mr. Heat! He goes by the name of Dr. Roberts and he's a doctor in his everyday life. He lives in the year 2065 and he comes from the UK, although he can travel all around the world in a blink of an eye! He's extremely fast and can fly like an eagle. But that's not his only super power... he's also got superhuman heat vision that can destroy and lift things in the air! He looks very strong, as he's got muscular arms and legs and wears a special body suit that helps him go even faster! If he wanted to, he could break the speed of sound! He doesn't have a family because he wants to remain unknown. If people knew who he was, he couldn't achieve his goal, which is to destroy all the evil powers in the world. He's really awesome!
