MarHaba George Nicolas El-Hage,George Nicolas El-Hage Ph D,2015-02-26 NEW Downloadable audio files are now available at this link <http://www.georgenicolasel-hage.com/marhaba-a-course-in-levantine-arabic-lebanese-dialect.html> This book is a basic direct and self guided handbook to learn Levantine dialect It is a simple easy to use textbook for both the motivated student and teacher alike It is useful for beginners with no knowledge of Arabic and for those who have had about a semester or two of either dialect or MSA It is particularly helpful for people who are going to travel to the Levant for the first time or those who have lived there for a while and need to master and reinforce what they have learned The book is designed for foreign students who have little or no knowledge of Arabic formal or informal It can be used by students themselves on their own or with the help of an instructor or a tutor Basically every word is introduced in three forms Arabic form transliteration form and English meaning A beginner non native who only desires to speak and communicate orally can rely on transliteration and English while a more experienced student a heritage student or a non native with a year of exposure to Arabic who can read and has learned some basic survival vocabulary may also benefit from the Arabic script and the grammatical notes available in the book Even if you are well versed in MSA you still need to have this book You may already be able to read the newspaper headlines or listen to the news and read a street sign but it will sound very awkward to use MSA when you meet and greet someone need a taxi ask for directions bargain and negotiate open a bank account order a meal or a sandwich chat with someone in the street or in a caf enter a supermarket or a store ask for the time or make an appointment and get to know someone on a personal or even professional level etc The book is divided into 72 sections and 24 lessons mainly by topic Each section contains pertinent vocabulary needed and used when dealing with the situation at hand So if you are looking for a word about clothing or medicine for example you simply look in that particular section There are also sufficient exercises in translation with answers provided for you to doublecheck and verify your knowledge Do the exercise first before you look up the answer Continuously test yourself memorize new words read and speak out loud even when you are alone and pick the brain of a native friend or acquaintance Lebanese and Arabs in general are impressed when you attempt to speak Arabic with them They will go out of their way to help you and make your acquaintance However they will also try first to practice their English or French with you Most of them are bilingual or even trilingual Do not fall for this Insist on using your Arabic first The best way to learn a foreign language is through total immersion Go ahead immerse yourself You will be forced to float

Drowning is not an option You are too smart to drown Study this book and find a group of natives to chat with Better yet visit Lebanon and have some maza tabbouli and araq Then we ll talk Do not be afraid to make mistakes Keep on trying Practice makes perfect
