EVERYMAN'S GUIDE TO THE UNIVERSE: A SURVIVAL MANUAL FOR THE FUTUR John Lombardo,2026-03-14 In Everyman s Guide to the Universe John Lombardo embarks on an unapologetic and visceral exploration of existence consciousness and the human condition Channeling decades of introspection and experience he defies conventions with a candid narrative style that oscillates between raw emotion and philosophical inquiry The manuscript serves not only as a reflection of Lombardo s unique journey but as a survival manual for readers daring enough to confront the complexities and absurdities of modern life From the outset Lombardo compels us to question the nature of reality itself an illusion a scam a con game disguised as existence He challenges us to tear away the veil of narcissistic blindness that often obscures our understanding of ourselves and the universe around us With each word he lays bare the chaotic interplay of thoughts feelings and experiences that have shaped his worldview Lombardo s introspection ranges from personal anecdotes of childhood memories to musings on art sports and education all interwoven with deeper philosophical considerations about consciousness and the structure of reality He suggests that our existence is not merely a series of trivial pursuits but part of a larger tapestry of interconnected experiences that define what it means to be human This guide serves as both a call to awareness and an invitation to navigate the intricacies of life with courage honesty and authenticity Lombardo s radical honesty resonates particularly in our times when societal norms often prioritize superficial understanding over profound insight He urges readers to embrace a collective responsibility toward one another and the universe as a whole recognizing that our individual actions reverberate throughout the cosmos Ultimately Everyman s Guide to the Universe is a philosophical odyssey that challenges us to confront the illusions we create and the inherent truths we often overlook It is an exploration that requires not just reading but active engagement with the layers of meaning contained within each chapter Lombardo s assertion that life is a process of becoming redefines how we perceive our place in the universe making this manuscript an essential read for those who dare to search for clarity in chaos and purpose amidst the absurd Prepare for an enlightening journey through the abstract the tangible and the nebulous as Lombardo leads you down pathways of thought that shimmer with the potential for understanding and self discovery This survival manual is a beacon for those seeking to navigate the uncertainties of existence and an affirmation that within the chaos lies an opportunity for profound awakening John B Lombardo has been writing making art for over 66 years continues to make art as JBLArtist See his works JBLArtist com ["EVERYMAN'S GUIDE TO THE UNIVERSE:A SURVIVAL MANUAL FOR THE FUTURE."](#) Excerpt From [EVERYMAN'S GUIDE TO THE UNIVERSE- A SURVIVAL MANUAL FOR THE FUTURE](#) [cover](#) [John B Lombardo](#) [This material may be protected by copyright.](#) John Lombardo,2026-03-14 In Everyman s Guide to the Universe John Lombardo embarks on an unapologetic and visceral exploration of existence consciousness and the human condition Channeling decades of introspection and experience he defies conventions with a candid narrative style that oscillates between raw emotion and
