## SERVICE MANUAL

### IMPORTANT NOTICE

This manual has been provided for the use of authorized YAMAHA Dealers and their service personnel.

It has been assumed that basic service procedures followed in the industry, and more specifically YAMAHA Products, are already known and understood by the user, and have therefore not been included.

**WARNING:** Failure to follow appropriate service and safety procedures when servicing this product may result in personal injury, destruction of expensive components, and failure of the product to perform as specified. For these reasons, we advise all YAMAHA product owners that any service required should be performed by an authorized YAMAHA Dealer or the appointed service representative.

**IMPORTANT:** The presentation or sale of this manual to any individual or firm does not constitute authorization, certification or recognition of any applicable technical capabilities, or establish a principle agent relationship of any kind.

The data provided is believed to be accurate and applicable to the model indicated on the cover. The research, engineering, and service departments of YAMAHA are continually working to improve YAMAHA products. Modifications and alterations, however, and specifications are subject to change without notice or obligation to provide. Should any discrepancy appear to exist, please contact the distributor's Service Division.

**WARNING:** Static discharges can destroy expensive components. Discharge any static electricity from your body and tools accumulated by grounding yourself to the ground lines in the unit (don't touch them) when contact is to be made.

**IMPORTANT:** Cover the main CPU during disassembly and part replacement. Recheck all work before you apply power to the unit.
