**The Guardians on Trial** William H. F. Altman,2016-07-19 Based on a conception of Reading Order introduced and developed in his *Plato the Teacher The Crisis of the Republic* Lexington 2012 and *The Guardians in Action Plato the Teacher and the Post Republic Dialogues from Timaeus to Theaetetus* Lexington 2016 William H F Altman now completes his study of Plato s so called late dialogues by showing that they include those that depict the trial and death of Socrates According to Altman it is not Order of Composition but Reading Order that makes Euthyphro Apology of Socrates Crito and Phaedo late dialogues and he shows why Plato s decision to interpolate the notoriously late Sophist and Statesman between Euthyphro and Apology deserves more respect from interpreters Altman explains this interpolation and another that places Laws between Crito and Phaedo as part of an ongoing test Plato has created for his readers that puts the Guardians on Trial If we don t recognize that Socrates himself is the missing Philosopher that the Eleatic Stranger never actually describes and also the antithesis of the Athenian Stranger who leaves Athens in order to create laws for Crete we pronounce ourselves too sophisticated to be Plato s Guardians and unworthy of the Socratic inheritance
