RESOURCE BOOK FOR STUDENTS

Storytelling is a powerful tool and a means of sharing experiences and knowledge. In that sense, short stories and non-fiction play a vital role in the growth and development of children. The texts you read and the characters you get to know become more familiar with you like friends.

If you read as many short stories as possible, it will be helpful for your studies. For example, it can expand your imagination and help with language. It helps you learn more vocabulary and even your grammar will be better. Reading stories can be helpful for relaxation too. They make you forget your stresses and strains of the day and indulge in fantasy for a while.
