Building Equity Through Smarter, More Resilient Cities of the Future. Celebrating International Women's Day Inés Sánchez De Madariaga, Inés Novella Abril, 2025-11-28 The International Women s Day takes place on the 8th March celebrating the achievements of women throughout history Equally as important this is a date to raise awareness for the

inequalities that women across the globe still face on a daily basis The UN theme for IWD in 2023 is EmbraceEquity It is in this spirit that Frontiers in Sustainable Cities is launching a new article collection to coincide with this UN day This occasion offers an opportunity to acknowledge that historically cities have not been designed with women in mind creating not only unsafe areas but also making it harder for female bodies to physically pass through a cities that was built for able bodied full grown men This then opens up the floor to discuss and consider the importance of using female perspectives and experiences to build smarter resilient cities of the future
