Sissy Insurgencies Marlon B. Ross,2021-12-06 In *Sissy Insurgencies* Marlon B Ross focuses on the figure of the sissy in order to rethink how Americans have imagined articulated and negotiated manhood and boyhood from the 1880s to the present Rather than collapsing sissiness into homosexuality Ross shows how sissiness constitutes a historically fluid range of gender practices that are expressed as a physical manifestation discursive epithet social identity and political phenomenon He reconsiders several black leaders intellectuals musicians and athletes within the context of sissiness from Booker T Washington George Washington Carver and James Baldwin to Little Richard Amiri Baraka and Wilt Chamberlain Whether examining Washington s practice of cleaning as an iteration of sissiness Baldwin s self fashioned sissy deportment or sissiphobia in professional sports and black nationalism Ross demonstrates that sissiness can be embraced and exploited to conform to American gender norms or disrupt racialized patriarchy In this way sissiness constitutes a central element in modern understandings of race and gender

Messengers from the West Mountain C. R. Truitt,2007-12-28 A Great Fire War had once scorched the earth leaving it barren for generations and only those who took refuge underground were their childrens children able to live once again upon the surface of the earth

For years the West Mountain people lived pleasantly on the surface of the earth outside of the Mother Cave until reports from the other Warrior tribes told of attacks from a people who still use the ancient machines to capture and enslave The Chiefs daughter Paula was delighted when the Council announced she would lead and be sent with three others as messengers to the other Warrior tribes for a call of unity to stand against these invaders She set out with her best friend Sissy a young healer her cousin Mira the best warrior of her tribe and their friend Peggy Together they set out to warn the other tribes but separated to make up for lost time waiting for Paula and Peggy to heal after a battle with mutated men Paula and Sissy catch a ride in the wasteland and unknowingly find themselves in the enemy territory There they find danger and unexpected allies All four of us sat erect pushing our chests out holding our heads high riding through the main street with our people cheering us There is nothing like the adorations of our family and peers How soon we would come to learn the difference of people who would not see us so regarding us as their prey or their enemy to use us whatever way they could Leaving the tribe behind we had no knowledge of that We were sure of our skills and our persons He glared at me his voice deepened commanding You will hand me that chain and then you will strip and put those dirty rags in this basket Now His retaliation was swift He slapped me hard enough to bring me to my knees with my eyes watering and my cheek stinging
