

# Father Of The Bride Speech Examples

Good evening everyone.

I'm honored to stand here today as the father of the bride. I want to start by thanking all of you for coming to celebrate this special day with us. It means a lot to me and my family.

I also want to take a moment to thank the groom and his family for all they have done to make this day possible. We are thrilled to welcome him into our family and know that he will make a wonderful husband to our daughter.

As I stand here today, I can't help but reflect on the wonderful young woman my daughter has become. She has always been a joy to be around, and I'm so proud of all she has accomplished. From her academic achievements to her professional success, she has truly made her mark on the world.

But what I'm most proud of is the kind, caring, and compassionate person she has become. She has a heart of gold and always puts others first. I know that she will make an amazing wife and partner to her new husband.

So, to my daughter and her new husband, I want to say congratulations. You are embarking on a new journey together, and I know that it will be filled with love, laughter, and joy. I wish you all the happiness in the world. And to everyone here today, I want to say thank you again for being a part of this special day.

Let's raise a glass to the happy couple!

**On Pluto: Inside the Mind of Alzheimer's** Greg O'Brien, 2018-02-27. This is a book about living with Alzheimer's, not dying with it. It is a book about hope, faith, and humor, a prescription far more powerful than the conventional medication available today to fight this disease. Alzheimer's is the sixth leading cause of death in the US and the only one of these diseases on the rise. More than 5 million Americans have been diagnosed with Alzheimer's or a related dementia; about 35 million people worldwide. Greg O'Brien, an award-winning investigative reporter, has been diagnosed with early-onset Alzheimer's and is one of those faceless numbers. Acting on long-term memory and skill coupled with well-developed journalistic grit, O'Brien decided to tackle the disease and his imminent decline by writing frankly about the journey. O'Brien is a master storyteller. His story is naked, wrenching, and soul-searching for a generation and their loved ones about to cross the threshold of this death in slow motion. *On Pluto: Inside the Mind of Alzheimer's* is a trail-blazing roadmap for a generation, both a how-to for fighting a disease and a how-not-to-give-up.
