## La Civilisation Chinoise Par Marcel Granet:

*La civilisation chinoise* Marcel Granet, 1975      **Compte Rendu de : Marcel Granet. "La Civilisation Chinoise"** V. K. Ting, 1931      La religion des Chinois Marcel Granet, 1951      La Civilisation chinoise. La Vie publique et la Vie privée. Avec 5 cartes et 2 figures dans le texte et 10 planches hors texte, par Marcel Granet Marcel Granet, 1929      *La civilisation chinoise* Marcel Granet, 1929      *La civilisation chinoise [édition intégrale revue et mise à jour]* Marcel Granet, 2013-03-01

Ouvrage classique de référence sur la civilisation et la pensée chinoise traditionnelle publié originellement en deux volumes dans une collection réputée peu courants ces deux livres complémentaires dus à la plume d'un grand orientaliste étaient devenus difficiles à réunir sans doute parce qu'ils parurent 5 ans d'intervalle. Nous publions ici les travaux complets de Marcel Granet sur la civilisation chinoise une étude sérieuse fouillée et qui nous permet de pénétrer un univers culturel essentiellement autre et dont les codes chappent le plus souvent aux occidentaux. Format professionnel électronique Ink Book dition      **La pensée chinoise** Marcel Granet, 2024-01-18

La Pensée Chinoise de Marcel Granet est un ouvrage exhaustif qui explore les fondements philosophiques religieux et culturels de la Chine ancienne. L'auteur offre une analyse approfondie des enseignements de penseurs majeurs tels que Confucius et Laozi mettant en lumière l'impact de ces philosophies sur la religion, la société et la gouvernance politique en Chine. Granet explore également la symbolique présente dans la pensée chinoise soulignant l'importance des symboles et des rituels dans la compréhension du monde et des relations humaines. Dans l'ensemble, l'ouvrage propose une vision holistique de la richesse intellectuelle de la Chine à travers les époques offrant aux lecteurs une compréhension approfondie de la pensée chinoise.

**La Civilisation chinoise** Marcel Granet, 1956      *La religion des Chinois* Marcel Granet, 1998

Rares sont les études d'histoire des religions qui demeurent pertinentes après plusieurs décennies. Tel est le cas de cet ouvrage du grand sinologue Marcel Granet qui bien avant la révolution communiste sut s'élever au niveau des longs cycles pour analyser les différentes strates historiques de la spiritualité chinoise. Dans un esprit à la fois synthétique et précis, l'auteur de *La Pensée chinoise* et de *La Civilisation chinoise* décrit la religion primitive de la paysannerie puis les cultes de la Chine féodale, les structures de la religion qu'il appelle officielle, celle des lettrés de l'Empire inspirée des enseignements de Confucius, enfin le taoïsme et le bouddhisme chinois qui s'entremêlent en un syncrétisme original. Un classique de l'orientalisme nourri de rudition et d'esprit humaniste.

**Marcel Granet, "La Civilization Chinoise"** V. K. Ting, 1931      Chinese Civilization Marcel Granet, 1930      La civilisation chinoise Marcel Granet, 1929

**The Social Origins of Thought** Johannes F.M. Schick, Mario Schmidt, Martin Zillinger, 2022-03-11

By studying how different societies understand categories such as time and causality the Durkheimians decentered Western epistemology. With contributions from philosophy, sociology, anthropology, media studies, and sinology, this volume illustrates the interdisciplinarity and intellectual rigor of the category project, which did not only stir controversies among contemporary scholars but paved the way for other theories exploring how the thoughts of individuals are prefigured by society and vice versa.

versa **Reappraising Durkheim for the Study and Teaching of Religion Today** Idinopulos, Brian C. Wilson, 2018-09-24 Reappraising Durkheim for the Study and Teaching of Religion Today is an occasion to critically analyze and reassess the work of this intellectual pioneer It is also an effort to signal the continuing importance of Durkheim for today's graduate and advanced undergraduate classrooms Reappraising Durkheim brings together ten new critical essays in which noted sociologists psychologists phenomenologists philosophers and historians of religion grapple with the questions Durkheim raised and the solutions he proposed Taken together the volume is a careful historical and multi disciplinary study of Durkheim that will lead students to a better understanding of how to study religion Reappraising Durkheim will be an excellent text for courses focusing on theory and method in the academic study of religion at both the graduate and advanced undergraduate level It would therefore be appropriate for use in departments of religious studies philosophy sociology and anthropology La Pensée Grecque Et Les Origines de L'esprit Scientifique Léon Robin, 1923 Annales franco-chinoises, 1927 **Peuples et civilisations**, 1927 Revue Internationale de Sinologie Gustaaf Schelgel, Henri Cordier, Édouard Chavannes, 1929 Covers all aspects of traditional China La Géographie, 1929 **L'Europe nouvelle**, 1927
