Mathematics Kay Williams,2000 *The State of State English Standards, 2005* Sandra Stotsky,2005 *Empowering the Voice of the Teacher Researcher* Roger Neilson Brindley,Christine M. Crocco,2010-11-16 *Empowering the Voice of the Teacher Researcher through a Culture of Inquiry* is essentially a description of one school s initiatives to use collaborative communities and action research to empower teacher research and a culture of collective inquiry It is written by teachers primarily for teachers and teacher educators Of course none of the initiatives described in the text would be possible without the visionary leadership of school and district administrators Because administrative support is foundational to the process school and district administrators and staff developers will also be interested in reading about how this school s principal and assistant principal set the stage for developing their community of learners There are many sound action research texts on the market This text is apart by its first person accounts of teachers experiences with action research as examples of profound possibilities for professional growth As such this book written by teachers for other teachers and then contextualized by the Editors so that the relevance is clear to a broader audience fills an important niche in the literature
