**The Palgrave Handbook of Contemporary Kenya** Wanjala S. Nasong'o, Maurice N. Amutabi, Toyin Falola, 2023-05-27

This volume is a bold attempt to address a comprehensive range of themes and issues relating to contemporary Kenya. It covers independent Kenya's history, society, culture, economics, politics, and environment with great breadth and depth, comprising thirty-four chapters divided into three parts. Part I focuses on independence and the political economy of development, followed by Part II on environment, globalization, gender, and society. Part III examines the external context's impact and implications for Kenya and the role of Kenya in the global political economy.

Discourses of Globalisation and Higher Education Reforms Joseph Zajda, W. James Jacob, 2022-03-15. This book examines some of the major higher education reforms and policy shifts globally, particularly in the light of recent shifts in quality and standards-driven education and policy research. It critiques the neo-liberal ideological imperatives of current higher education and policy reforms and illustrates the way that changes in the relationship between the state and higher education policy affect current trends in higher education reforms. Using diverse comparative education paradigms from critical theory to historical comparative research, the chapters focus on globalisation ideology and higher education reforms and examine both the reasons and outcomes of higher education reforms and policy change. The book analyses and evaluates the policy shifts in methodological approaches to globalisation and higher education reforms and their impact on education policy and pedagogy. The book contributes in a very scholarly way to a more holistic understanding of the nexus between globalisation, comparative education research, and higher education reforms.
