Invading Babylon The 7 Mountain Mandate:

Invading Babylon Lance Wallnau, Bill Johnson, 2013-07-16 You were transformed to transform your world For too long Christianity has been defined by a false concept of church As a result believers have built walls around their lives keeping culture at a distance As Christians have tried to keep culture out of the church unfortunately the church has kept itself out of the culture This was never Jesus design for the your life Before church was established as a place that people came to Jesus instituted it as an army that brought transformation to society starting with salvation and continuing with seven spheres of influence Church family education government media arts and commerce Six revolutionary voices in the modern church deliver Invading Babylon This essential guide will equip you to Understand your vital role in shaping society Release God s will in your sphere of influence Become an unstoppable citizen in God s Kingdom It s your time to arise and be a light in a dark world

Releasing The Blueprint Of Heaven Greg Wallace, 2023-12-20 Releasing The Blueprint Of Heaven is a groundbreaking framework for exercising difference making leadership that activates people to expand the Kingdom of God We are called to be apostolic in other words we are called to reproduce Bishop Mark J Chironna PhD Greg Wallace gets to the essence of the apostolic He unpacks it in a way that demystifies what was previously a lofty concept for a chosen few and makes it available to you me and anyone seeking to bring the kingdom of God to our everyday spheres of influence Pete Cafarchio Executive Coach www.petecoaching.com

When Hell Invades The Churches Andrew Stunich, 2022-10-14 When Hell Invades The Churches An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book The Seduction of Christianity Mr Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur the pastorpreneur is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new experienced based contra Scriptural religion masquerading as Christianity Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church If you have any doubt that the great apostasy falling away predicted in 2 Thessalonians 2 is well underway this book will dispel any doubts This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale

Reclaiming the Political Process Ray Miller, 2024-04-24 Disciples of Christ in America must live out and express their faith in practical meaningful ways in the real world including the political process Our failure to provide leadership in our

Wild Faith Tal Lavin,2024-10-15 The acclaimed author of Culture Warlords investigates the rise of the Christian Right over the last half century that lays out the grim vision evangelicals are enforcing on our democracy An investigative triumph and a warning David Corn author of 1 New York Times bestseller Russian Roulette and American Psychosis All across America a storm is gathering from book bans in school libraries to anti trans laws in state legislatures firebombings of abortion clinics and protests against gay rights The Christian Right a cunning political force in America for more than half a century has never been more powerful than it is right now it propelled Donald Trump to power and it won't stop until it's refashioned America in its own image In Wild Faith critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right from its segregationist past to a future riddled with apocalyptic ideology Using primary sources and firsthand accounts Lavin introduces you to deliverance ministers who carry out exorcisms by the hundreds modern day self proclaimed prophets and apostles Christian militias cults zealots and showmen and the people in power who are aiding them to achieve their goals Along the way she explores anti abortion terrorists the Christian Patriarchy movement with its desire to place all women under absolute male control the twisted theology that leads to rampant child abuse and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit From school boards to the Supreme Court Christian theocracy is ascendant in America and only through exploring its motivations and impacts can we understand the crisis we face In Wild Faith Lavin fearlessly confronts whether our democracy can survive an organized fervent theocratic movement one that seeks to impose its religious beliefs on American citizens An urgent prophecy a clarion call a dire warning about what has been happening in America in plain sight and yet under the noses of millions With gorgeous prose and her inimitable style Lavin lifts up a mirror to the ways in which abuse in private becomes public policy religion is corrupted into fanaticism and decades of culture warring has led to the brink a moment we must face squarely and fight in solidarity Sarah Weinman author of The Real Lolita Esquire Best Nonfiction Books of 2024
