## **La Double Vie Dirina:**

Creatures of Will and Temper Molly Tanzer,2017 *Creatures of Will and Temper* s a Victorian era fantasy inspired by The Picture of Dorian Gray in which epee fencing enthusiast Evadne Gray and her younger sister are drawn into a secret and dangerous London underworld of pleasure seeking demons and bloodthirsty diabolists with only Evadne s skill with a blade standing between them and certain death

**The Image By Proxy** Marc Boumeester,2025-10-16 The exponential growth of image production has created a condition in which images no longer depict but organise The Image by Proxy introduces mass microimaging as a framework for understanding how images function as infrastructural agents automated and recursive embedded in the logics of the attention economy In this regime visibility is pre configured rather than chosen Images operate by proxy through algorithmic substitution and systemic validation Their proliferation erodes perception replacing memory and history with a perpetual present while authenticity fades in a circulation where images reference only each other This book addresses the epistemic ethical and political consequences of such automation What forms of thought and responsibility remain possible when images dictate the conditions of recognition How do infrastructures of imaging extend beyond representation to shape the terms of social political and ecological existence Drawing on philosophy media theory and cultural critique The Image by Proxy argues that imaging has become the fastest growing system of production on the planet yet its control does not reside in any network of ethical accountability Proxy images do not merely reflect perception they structure reality The book challenges the belief that visual abundance ensures democratic access showing instead how mass microimaging narrows thought compresses experience and consolidates power in favour of the machinic infrastructures that sustain platform capitalism

**Broken hearts on Boulevard Unirii: Based on real events** Uri Jerzy Nachimson,2023-08-04 Childhood friends Elia Giorgio Claudio and Fabrizio had been meeting in their favorite caf in the center of the ancient city of Arezzo in Tuscany for forty years One day they decided to go to Bucharest to visit their friend Angelo They brought along Gert and Sebastian more old acquaintances to have a reunion When they got there Angelo had a surprise waiting for them Little did they know that this visit would change their lives forever Cracks began to appear in marriages as well as in the wonderful friendships they had enjoyed for the past forty years It all began with this first trip It wouldn t be their last This book was written in Tuscany inspired by real events that took place years ago
