**Revue de Fonderie Moderne** ,1926      **Black France** Dominic Thomas,2007 Without a doubt one of the most important studies so far completed on literature in French grounded in the experiences of migrants of sub Saharan African origin Alec Hargreaves Florida State University France has always hosted a rich and vibrant black presence within its borders But recent violent events have raised questions about France s treatment of ethnic minorities Challenging the identity politics that have set immigrants against the mainstream **Black France** explores how black expressive culture has been reformulated as global culture in the multicultural and multinational spaces of France Thomas brings forward questions such as Why is France a privileged site of civilization Who is French Who is an immigrant Who controls the networks of production **Black France** poses an urgently needed reassessment of the French colonial legacy      *Love Under the Skin* Cécile Coquet-Mokoko,2020-04-15 The rising visibility of interracial couples calls for increased attention to the overlapping of culture and race in safe spaces centered on small group dynamics or in public spaces where peoples of African descent are under the public gaze This comparative study seeks to de center the U S centered viewpoint common to much of the literature on black white relations Based on nine years of fieldwork in the American South and in France Coquet shows many unexpected parallels between the two societies Gendered perceptions of cultural authenticity and sexual ethics are a guiding thread being inseparable from the historical and political contingencies re defining acceptable forms of dating marrying and parenting among cis heterosexual couples in both societies Her account emphasizes resilience and agency as couples seek to protect themselves and their children while their extended or symbolic kinship networks help white partners acknowledge the existence of racial privilege      Melanges offerts à Francis Geus Brigitte Gratien,2007      Publications ,1917      Authors and Subjects ,1880      **Index-catalogue of the Library of the Surgeon General's Office, United States** ,1884
