## La Gauche Sans Le Ps:

**De la gauche dissidente au nouveau Parti socialiste** Jean-François Kesler, 1990 **Les Communistes Et la Cgt** COMMUNISME 35-36-37, 1994-05-09 **L'hebdo des socialistes**, 2008 **De Giscard à Mitterrand** Raymond Aron, 2023-01-25 Journaliste autant que philosophe et comme il l'a dit lui-même spectateur engagé de son époque Raymond Aron a commenté chaque semaine dans ses dictionnaires de L'Express pendant six ans de 1977-1983 les principaux événements politiques en France et dans le monde La lecture de ces dictionnaires nous fait revivre ces années de crise et de bouleversements en même temps qu'elle nous permet de voir l'œuvre d'un esprit remarquable par sa faculté d'analyse la distance immédiate qu'il prend avec les événements pour éviter de céder aux passions et l'attitude exemplaire d'un citoyen qui cherche à comprendre plus qu'à juger sans jamais sous-estimer le devoir de responsabilité **Un an après** Pierre Moscovici, 2003-04-16 C'est un livre politique autant qu'une introspection Une lettre l'absent vaincu autant qu'une analyse de sa défaite Un témoignage pour soi-même et pour les autres Un affrontement enfin avec l'inexplicable la défaite de Lionel Jospin et le passage aux oubliettes de la gauche plurielle après cinq ans de gouvernement honorable De tous ses ministres nul ne fut plus proche de Lionel Jospin que Pierre Moscovici le petit frère du patron de la gauche l'aveugle en rationalité politique mais aussi ami observateur frissonnant d'attention et d'affect contenu La défaite de Jospin fut aussi la sienne la fin d'une première vie politique entamée en 1984 aux côtés de celui qui n'était alors que le premier secrétaire du P.S. Ayant hésité sur son avenir ayant choisi de continuer la politique Moscovici arrête le temps d'un livre et essaie d'être juste et vrai la fois Rejetant le simplisme et la nostalgie vitant la complaisance et l'auto-plaidoyer il revisite les années Jospin raconte le lent passage de la dignité retrouvée de la gauche à l'enfermement dans la satisfaction gouvernementale la transformation d'une dynamique politique en un enlèvement condamné à l'erreur stratégique du retournement du calendrier les timidités de l'homme qui ne voulait pas présider le traumatisme de Lionel Jospin combattant pudique et orgueilleux dévoilé par ses biographes redoutant alors que le regard que portaient sur lui les Français ait irrémédiablement changé Il revient aussi sur la lente tragédie de la gauche ayant perdu l'audace sans même s'en rendre compte Jospin n'ayant su rester jospiniste a fini par perdre et la gauche avec lui Et Moscovici poursuivant l'histoire de la gauche combattant pied à pied ce qu'il appelle les simplismes de l'heure virages gauches modernismes ostentatoires destruction de l'idole affirme sa dignité en restant fidèle revendique les mêmes principes pour son tour hésiter de l'avenir ou réinventer le possible *A Divided Republic* Emile Chabal, 2015-04-02 A bold interpretation of contemporary French political culture that uses current political debates to understand how the French engage with politics

Le Parti socialiste d'Epinais à l'Élysée, 1971-1981 Noëlline Castagnez-Ruggiu, Noëlline Castagnez, Gilles Morin, 2015 Le congrès d'Epinais en juin 1971 au-delà du mythe inaugure une décennie exceptionnelle pour le socialisme français Face à une droite qui lui nie toute légitimité et un frère ennemi communiste toujours dominateur le Parti socialiste de François Mitterrand prend l'union de la gauche se met en ordre de bataille et conquiert le pouvoir en dix ans Le rassemblement des siens et son

ouverture aussi bien aux Chrétiens qu'aux hérétiques de Mai 1968 comme les contacts renoués avec le monde culturel et intellectuel peuvent expliquer son succès qui pourtant n'était pas critiqué. La double victoire présidentielle et législative de mai-juin 1981 a masqué les rivalités internes entre les courants et leurs animateurs. Chevènement, Rocard, Poperen. Elle invite donc les historiens à interroger sur le potentiel réel de cette décennie. Les auteurs analysent la façon dont le PS s'est préparé à exercer le pouvoir différentes échelles du national à l'international. Et ils valuent ses programmes du « Changer la vie » 1972 au « Projet socialiste » 1980 au regard des nouveaux enjeux sociaux et de la crise.

Histoire documentaire du Parti socialiste: La France socialiste, 1969-2005 Vincent Chambard, 2005     Histoire du Parti socialiste, 1905-2005 Louis Mexandeau, 2005

Retrace les cent ans d'histoire du Parti socialiste français les grandes périodes les crises internes l'histoire électorale etc

**Œuvres complètes de Saint Augustin** Saint Augustine (Bishop of Hippo.), 1872     Le Parti socialiste unifié Noëlle Castagnez, 2013     La gauche, sans le PS? Claude Neuschwander, 2014-10-26

Claude Neuschwander brosse dans ce livre un tableau sans concession mais finalement optimiste de la situation économique morale et politique de la France. Il souligne deux dangers majeurs la puissance de l'ultralibéralisme et celle du totalitarisme extrême qui se développe en Europe et en France où il camoufle son caractère d'origine sous le bleu marine. Il leur oppose l'économie sociale de marché qu'il défend depuis toujours et il propose un retour à un militantisme engagé afin de rénover la République et de défendre la démocratie. Car les militants sont démobilisés par la faillite idéologique et morale des partis politiques et en particulier celle du PS. Or il est urgent de donner la parole aux citoyens et de leur demander de laborer un projet politique conforme à leurs convictions. L'auteur propose donc de bâtir un réseau social qui fédère les indignés et mobilise l'enthousiasme des citoyens pour ensemble inventer leur avenir. Un réseau social d'un nouveau genre inventé par ceux mêmes qui choisiront d'y participer. La gauche retrouvera alors les valeurs qui la rendent ternelle. Elle saura les traduire dans un projet concret ancré dans une volonté commune celle des citoyens et des militants.
