**Guide to Effective Fasting and Praying** Pius Joseph, 2019-05-11 Fasting and praying is one of the greatest ways to unleash the power of God in every situation of life The Bible says Jesus returned in the power of the spirit after fasting And if we can follow the same principles we will get the same result that Jesus got Several situations of life may stare at you on the face You may have prayed about them and nothing seemed to have changed At this point you need to add something to your prayers Prayer and fasting may be necessary to turn that battle into a testimony I know that there are several fasting and praying books out there to help the believer make judicious use of his moment of fasting and prayers But the question is not whether there are fasting and prayer guide or whether the believer actually fasted and prayed Are you fasting and praying the right way If you haven't 21 days or 30 days of praying and fasting will be unproductive It was this reason that compelled me to write this book in order to guide the believer to fast effectively No longer will it be that you fasted and the situation remained After fasting and praying a change must occur in your life Through this book you will learn How to fast and pray effectively How to make the period of your fasting productive What to do when you are praying and fasting What you are not supposed to do when you are praying and fasting Prayers you must pray before you start fasting and praying Prayers you should pray during your fasting Prayers you should pray after your fasting Get this book now fast pray and see results

one's relationship with God and strengthen faith. They involve giving up material things for spiritual purposes, seeking guidance and humbling oneself before God. When fasting is not added to your prayer, it is robbed of its potential power. Fasting and prayer is a personal commitment to renounce the natural to invoke the spiritual. It is the language of a man burdened with a sense of need. Fasting purifies the soul, raises the mind, subjects one's flesh to the spirit, renders the heart contrite and humble, scatters the clouds of spiritual errors, quenches the fire of lust, and kindles the true light of spirituality. Moreover, Midnight prayers offer a unique time for strong spiritual reflection and connection, often described as a time of profound intimacy with God. The night time prayer is a place where you can freely speak to God unburdened by the concerns of the day. The secret of midnight is that it is the place where dreams are born and possibilities become reality. Midnight Prayer is a spiritual ecosystem where these unseen realities are usually downloaded to the natural world. The more we pursue God in all His glory through prayer and fasting, the more we reflect God in every aspect of our lives. In the quiet hours of the night, God can be most closely heard. Midnight is the hour when the veil between heaven and earth weakens, making divine communication more accessible. Therefore, our relationship with God in prayer should look like a consuming addiction in our lives, not a convenient addition to our lives. Devotion to prayer with fasting springs from dependence on God's power, desperation for God's grace, and dedication to God's agenda. Have you any days of fasting and prayer? Storm the throne of grace and persevere therein, and mercy will come down. John Wesley: That's what I think fasting is at heart. It's an intensification of prayer. It's a physical explanation: point at the end of the sentence: "We hunger for you to come in power." It's a cry with your body. I really mean it, Lord. This much I hunger for you, LORD. Fasting and prayers in the Biblical sense is choosing not to partake of food because your spiritual hunger is so deep, your determination in intercession so intense, or your spiritual warfare so demanding that you have temporarily set aside even fleshly needs to give yourself to prayer and meditation. EMMANUEL OKAFOR *Moreover, When Ye Fast* Stephanie A. Mayberry, 2021-11-21. Fasting is a powerful way to serve and glorify God. Throughout the Bible, we see how fasting and prayer shaped and molded some of God's mightiest people. Today, fasting and prayer is not given the priority that it should. It is often shoved to the backburner, left as an option for Christians, something they can choose to do if they feel led to do so. And yet, Jesus did not say, "If you fast, He said, WHEN you fast." It is not an option. If you want to grow more fully in God and reap all of the blessings that He has for you, then fasting will become a regular part of your service to Him. If you want a deeper walk to reflect Jesus in all that you do, then you will incorporate fasting and prayer into your life so that it is as much a part of your life as reading your Bible and daily prayer. Fasting is for now. Fasting is for YOU.
