Notes on creativity

Imagination is everywhere, we can capture it with the stroke of a pen

We can find it by viewing things from a different vantage point, gaining a new perspective

Searching for the extraordinary in the everyday

The great creative act is to take the old and new, with a mixture of things that have never been thought of, and make them into something new. It is not about copying or imitating, it is about creating something that is yours. It is about taking the old and making it new, and making it yours. It is about taking the old and making it new, and making it yours.
