Morgan, Michael Nixon, Cristina L. Garafola, Samuel K. Berkowitz, 2017-03-06 China's approach to nuclear deterrence has been broadly consistent since its first test in 1964 but it has recently accelerated nuclear force modernization China's strategic environment is likely to grow more complex and nuclear constituencies are gaining a larger bureaucratic voice Beijing is unlikely to change official nuclear policies but will probably increase emphasis on nuclear deterrence and may adjust the definition of key concepts *Fiction Theatre* Scott Welsh, 2026-03-12 This book aims to show how a specific form of documentary research founded in a theatre making method labelled real fiction can be utilised in drama education contexts such as classrooms and performance spaces It introduces this process through an exploration of theatre making practice based on the author's experience and then applies the method in a drama classroom Through this process it reveals the value of utilising practice based drama methods in education revealing new ways of teaching drama through praxis inquiry The book specifically applies real fiction practice to the issue of social labelling in education In this sense it aims to challenge the use of labelling language in social and educational contexts This is done through the process of utilising real fiction monologue writing practice to explore labels their meaning and operation in the

lives of a sample group of young people One of the objectives of the book is to show how the documentary theatre practice of real fiction can be used to influence and transform the social and cultural lives of young people It then expands on the broader implications for this through the use of an example creating a play script from participants monologue data Ultimately this book is concerned with diversity and inclusion through the practice of the performing arts It aims to build knowledge about the ways in which theatre making practice and the teaching of drama can contribute to a more equitable society It is interdisciplinary in the sense that it not only seeks new ways of teaching drama but also educates through the practice of theatre monologue writing and method acting This book is suitable for readers interested in drama playwriting theatre practice acting and education Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
