Gangs In Americas Communities:

Gangs in America's Communities James C. Howell, 2012 This book provides a comprehensive up to date and theoretically grounded approach to gangs and youth violence It covers significant topics of interest to gang scholars and practitioners and in doing so serves to prepare students to work with gang members develop and manage anti gang programs or engage in scholarly endeavors The book introduces readers to the foundations of gang studies through the origins of gangs definitions and categories of youth street gangs and the distinctions between these arguably different types national and international trends distinguishing features of serious street gangs what works with gangs and what doesn't and myths and realities James Howell's extensive experience in this area allows access to the most authoritative national survey data on gang trends providing insight into topics such as female gangs migration of gang members small town gangs versus the major adult gangs in large cities gang homicides and drug trafficking

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2018-02-08 **Gangs in America's Communities** Third Edition blends theory with current research to help you identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce you to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and the response from law enforcement Current nationwide gang trends are discussed to encourage you to analyze and interpret the most recent statistics for which representative data is available Updated macro and micro gang theories enable you to explore a recent encapsulation of leading developmental models New discussions around female gang members offer you potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women A comprehensive gang prevention intervention and suppression program in Multnomah County Oregon shows how theory was successfully applied to reduce gang activity in a local community New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang Additional discussion of distinguishing features e.g typologies of major gangs and numerous examples of gang symbols tattoos and graffiti has been added to help readers identify and differentiate various types of gangs

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2018-02-08 **Gangs in America's Communities** is one of the most comprehensive treatments of gangs in the marketplace I highly recommend its adoption as you will not be disappointed and most importantly neither will your students

Elvira White Lewis Texas A M University Commerce Gangs in America s Communities Third Edition blends theory with current research to help readers identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and the response from law enforcement Current nationwide gang trends are discussed to encourage readers to analyze and interpret the most recent statistics for which representative data is available Updated macro and micro gang theories enable readers to explore a recent encapsulation of leading developmental models New discussions around female gang members offer readers potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women A comprehensive gang prevention intervention and suppression program in Multnomah County Oregon shows how theory was successfully applied to reduce gang activity in a local community New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang Additional discussion of distinguishing features e g typologies of major gangs and numerous examples of gang symbols tattoos and graffiti has been added to help readers identify and differentiate various types of gangs

Gangs in America's Communities James C. Howell, Elizabeth Griffiths, 2018-02-08 Gangs in America s Communities is one of the most comprehensive treatments of gangs in the marketplace I highly recommend its adoption as you will not be disappointed and most importantly neither will your students Elvira White Lewis Texas A M University Commerce Gangs in America s Communities Third Edition blends theory with current research to help readers identify essential features associated with youth violence and gangs as well as apply strategies for gang control and prevention Authors Dr James C Howell and Dr Elizabeth Griffiths introduce readers to theories of gang formation illustrate various ways of defining and classifying gangs and discuss national trends in gang presence and gang related violence across American cities They also offer evidence based strategies for positioning communities to prevent intervene and address gang activity New to the Third Edition A series of new case studies document the evolution of numerous gangs in large cities including the community aspect evolutionary nature and how cities influence levels of violence New discussions highlighting the role of social media insights into how gangs use it to recruit members and the response from law enforcement Current nationwide gang trends are discussed to encourage readers to analyze and interpret the most recent statistics for which representative data is available

Updated macro and micro gang theories enable readers to explore a recent encapsulation of leading developmental models. New discussions around female gang members offer readers potentially effective programs for discouraging females from joining gangs along with highly regarded delinquency prevention and reduction programs that have the potency to be effective in reducing gang crimes among young women. A comprehensive gang prevention intervention and suppression program in Multnomah County, Oregon, shows how theory was successfully applied to reduce gang activity in a local community. New research on gang structures and their rates of crime illustrate the connections between violent crimes and the amount of violent offenders within a gang. Additional discussion of distinguishing features, e.g., typologies of major gangs and numerous examples of gang symbols, tattoos, and graffiti, has been added to help readers identify and differentiate various types of gangs.

Gangs in America III. C. Ronald Huff, 2002. Essays in this anthology examine contemporary gangs, gang life, and law enforcement efforts to study and coordinate the community response to them.

Gangs in America III. C. Ronald Huff, 2001-11-06. As communities face ever-growing gang-related problems, *Gangs in America III* provides the most up-to-date information on the diverse perspectives and complex issues that arise in our efforts to understand, prevent, and control gang violence and crime.

Female Gangs in America. Meda Chesney-Lind, John Hagedorn, 1999. *Female Gangs in America* challenges a long tradition of color-blind male scholarship about gangs in our country by exploring the experiences of girls in gangs. Recognizing that girls have long been present but invisible in American gang life, this book offers the first comprehensive collection of essays ever published on the topic. The chapters are linked by interpretive essays that explore issues like girls' violence, ethnic variations in girls' gang behavior, gender differences in female and male experiences of gang life, and the role of economic marginalization in the lives of girls in gangs.

From publisher's description: [Gangs in America](#)

C. Ronald Huff, 1996-08-02. The Second Edition of *Gangs in America* brings together some of the best new research on the subject. After a section that addresses definitional and measurement issues, the book presents an assessment of behavioural, ecological, and socioeconomic dimensions of gangs; a discussion of important ethnic and gender factors; and findings concerning the reciprocal relationship between research and community experience with gangs.

Understanding Contemporary Gangs in America. Rebecca D. Petersen, 2004. This unique book provides readers with a comprehensive and contemporary perspective on gangs in America. Its current articles, written by national experts in the field, contain a variety of diverse viewpoints and contribute to a well-rounded understanding of gangs and their broad societal implications.
