

The Candidate Profile is a biographical information form accepted by schools participating in the Gateway to Prep Schools. These schools are dedicated to simplifying the application process for admission candidates and their families. Visit [gatewaytoprepschools.com](http://gatewaytoprepschools.com) to learn more about participating schools, their respective application processes, and the Gateway initiative.

Generally it is preferable that admission candidates submit their Candidate Profile on line at [www.gatewaytoprepschools.com](http://www.gatewaytoprepschools.com), but you may make copies of your paper forms and mail them, along with application fees, to each participating school. *If you have submitted a Candidate Profile to a school on line, DO NOT send a paper copy of the Candidate Profile to that school.*

*Note: The Candidate Profile is only one section of a complete application.*

*Schools communicate frequently by e-mail. If you are submitting a paper application, please be sure to write your e-mail address legibly. You may receive important messages about your application through e-mail. Be sure to check your e-mail frequently and let schools know if you change your e-mail address.*
