Hand-Fasting and Other Hazards L.L. Campbell, 2025-10-14 From the author of the bestselling Tricky Magic series comes a witchy small town forced marriage romantasy full of magical mishaps cozy chaos and a slow burn that turns seriously spicy When Lochlan and Nia wake up in a field naked hungover and magically married neither remembers saying I do and both are absolutely sure it wasn't their idea They aren't the first witches in Stella Rune to have a hand fasting mishap but this one won't be easily undone The culprit behind their accidental marriage refuses to annul the union unless they can prove beyond a doubt that they're completely incompatible Easy They do what anyone would agree to fake their way through a relationship for a few weeks make it clear they're terrible for each other earn their freedom and get back to their separate lives by Samhain But problems arise when Lochlan a disgraced prince haunted by the scars of his past finds himself falling for the secretive and fiercely independent Nia who's built walls around her heart so high no one else has dared to scale them And Nia who has sworn off love in favor of a life devoted to extortion and charitable causes can't help admiring the steadfast guarded man who stirs emotions she's never allowed herself to feel before What started as a magical mistake might turn into something real if they're brave enough to let it For fans of Accidental Forced marriage Forced proximity Magical bargain He falls first she falls harder Morally gray FMC Hidden magic systems [Living Paganism](#) Shanddaramon, 2005-10-12 In this book you will learn how to develop Pagan spiritual goals that are balanced and meaningful Every day we experience the cycles of Earth the moon the sun and the changes in life By connecting your practice to these sacred cycles you will learn to create a meaningful and magical life

Blessing Same-Sex Unions Mark D. Jordan, 2013-09-03 At most church weddings the person presiding over the ritual is not a priest or a pastor but the wedding planner followed by the photographer the florist and the caterer And in this day and age more wedding theology is supplied by Modern Bride magazine or reality television than by any of the Christian treatises on holy matrimony Indeed church weddings have strayed long and far from distinctly Christian aspirations The costumes and gestures might still be right but the intentions are hardly religious Why then asks noted gay commentator Mark D Jordan are so many churches vehemently opposed to blessing same sex unions In this incisive work Jordan shows how carefully selected ideals of Christian marriage have come to dominate recent debates over same sex unions Opponents of gay marriage he reveals too often confuse simplified ideals of matrimony with historical facts They suppose for instance that there has been a stable Christian tradition of marriage across millennia when in reality Christians have quarreled among themselves for centuries about even the most basic elements of marital theology authorizing experiments like polygamy and divorce Jordan also argues that no matter what the courts do Christian churches will have to decide for themselves whether to bless same sex unions No civil compromise

can settle the religious questions surrounding gay marriage And queer Christians he contends will have to discover for themselves what they really want out of marriage If they are not just after legal recognition as a couple or a place at the social table do they really seek the blessing of God Or just the garish melodrama of a white wedding Posing trenchant questions such as these *Blessing Same Sex Unions* will be a must read for both sides of the debate over gay marriage in America today **Passages Handfasting** Kendra Vaughan Hovey,2007-11-01 The day you exchange vows with the person you love is one of the most important days of your life What better way to celebrate your commitment to one another than with handfasting the blessed marriage rite in which the hands of you and your beloved are wrapped in ribbon as you tie the knot This symbolic binding together of your two loving souls is a timeless way to begin life s journey together In this first book of the groundbreaking *Passages* series Rev Dr Kendra Vaughan Hovey reveals the history behind the ritual She clearly describes everything you need to plan your own ceremony including how to Find the right practice for you Select flowers and herbs and discover their meanings Follow recipes and spells for incense and oils Write invocations and vows Integrate Pagan and non Pagan traditions Choose the right officiant With this magical guide you ll create a ceremony that not only reflects your devotion to one another but also ensures a lifetime of happiness **The British National Bibliography** Arthur James Wells,2006 *Twice Bound* Sahara Athena Lane,2025-02-03 It s been months since my breakup I ve healed Grown Maybe it will be enough Now however I have to see her again at a Christmas party a party I don t want to attend But I don t have a choice when my ex is my best friend s sister And my presence has been demanded to run interference It s a good thing I found a date to bring Bad thing This situation is turning into more than I bargained for with each time they smile Or wink God and when they speak Maybe this isn t such a bad thing if I can keep my hands to myself long enough to get through the evening Lex has two problems her ex and the party they are both about to attend If not for the first problem the second would be fine However her presence is mandatory and with this party looming she doesn t want to show up alone However finding a date had become impossible and she d given up on it So she wasn t prepared to literally run into one of those romance Christmas movie women at the store Maybe there was hope for her yet Cl odhna came with calm confidence and a foreign air about them that drew and enticed By the time Lex untied her thoughts long enough to ask if Cl odhna would join her tonight they had already gone too far not to be addicted One hour They only had to be at the party for an hour then Lex could steal Cl odhna away and use the rest of the night to explore what they both enjoy The only problem is that Cl odhna comes with more than Lex ever bargained for But maybe not more than she can handle Because Cl odhna prefers to share with their best friend R is n *Twice Bound* is a why choose sapphic contemporary romance novel with depictions of erotic and BDSM intimate scenes to tantalize and entice See the full note at the beginning of the book for complete trigger warnings and tropes **Passages Handfasting** Kendra Vauhan Hovey,2007-12-01 The day you exchange vows with the person you love is one of the most important days of your life What better way to celebrate your commitment to one another than with
