

Business growth strategy

Business growth strategy is a plan for increasing sales and revenue. It involves identifying opportunities for growth and developing a strategy to exploit them. There are four main types of business growth strategy: organic growth, inorganic growth, diversification, and internationalization. Organic growth is the most common and involves increasing sales and revenue through internal efforts. Inorganic growth involves acquiring other businesses or entering new markets. Diversification involves expanding into new products or services. Internationalization involves expanding into new countries.
