QUESTIONING PAPER

Duration: 100

Total: 200 marks

This **QUESTIONING PAPER** consists of **2000** (two) pages, including the answer

**INSTRUCTIONS:**

- 1. Answer all questions.
- 2. Write neatly and legibly.

# Grade9 Question Papers November2014 Technology

**Padhraic Smyth**

## **Grade9 Question Papers November2014 Technology:**

*Iran, Israel, and the United States* Ofira Seliktar, Farhad Rezaei, 2018-06-20 This book analyzes the process of evaluating Iran's nuclear project and the efforts to roll it back resulting in the 2015 nuclear agreement known as the Joint Comprehensive Plan of Action (JCPOA). Despite its aura of scientific exactitude, nuclear intelligence is complex and susceptible to methodological disagreements and political bias at the international oversight level, the International Atomic Energy Agency (IAEA) and within the countries involved in the rollback project, Israel and the United States. To highlight both the technological problems of assessing compliance and the politicization, each chapter in the book uses a real-time comparison of the nuclear developments in Iran and the perception of Israel and the United States. This methodology yielded some significant results. Essentially, two camps had formed in each country: those who were pushing for an agreement with Iran and those who opposed it. The Israeli intelligence agencies, the Mossad and the Military Intelligence, as well as the highly secretive Israeli Atomic Energy Commission (IAEC), which advised them, considered the program to be weak and slow-moving. The right-wing government of Benjamin Netanyahu suggested that Iran was steps away from the point of no return, making it an existential threat to Israel. A virtually identical split emerged in Washington. While the intelligence community and the advising scientists from the National Nuclear Laboratories considered Iran's progress to be relatively modest, the Republicans and the Israel lobby, the Jewish organizations, and the Christian Zionists warned of the imminent danger of a nuclear Iran. With the Obama administration pushing for the JCPOA, a fierce debate took place in Congress. The Israeli intelligence and military chiefs, led by the Mossad chief Meir Dagan, which had previously blocked Netanyahu from a preemptive action, quietly supported the agreement. In Washington, the Israel lobby and the Republicans, helped by Netanyahu, mounted an all-out effort to defeat the deal in Congress. The pro-deal coalition fought back by mobilizing the scientific community, military, and intelligence officials, the business lobby, and grassroots Democrats. The JCPOA represents the first successful effort of peaceful counterproliferation. At the same time, excessive politicization has clouded its legitimacy and cast doubt about its future.

**Resources in Education**, 1992-10      **Basic Photographic Materials and Processes** Nanette L. Salvaggio, Josh Shagam, 2019-09-23 *Basic Photographic Materials and Processes* describes the three crucial stages of creating the perfect photograph: capture, processing, and output, by providing a thorough technical investigation of modern applied photographic technologies. This new edition has been fully revised and updated to explore digital image capture, processing, and output. It covers a wide range of topics, including the scientific principles of measuring and recording light, the inner workings of digital cameras, image processing concepts, color management, and photographic output to screen and print media. With these topics come in-depth discussions of extending dynamic range, image histograms, camera characterization, display capabilities, printer, and paper technologies. It also includes applied exercises that provide the reader with a deeper understanding of the material through hands-on experiments and demonstrations connecting theoretical concepts to real-world use. This comprehensive

text provides photography students educators and working professionals with the technical knowledge required to successfully create images and manage digital photographic assets It is an essential resource for mastering the technical craft of photography
