Poems For Granddaughter

I play my heart, like a violin's string,
A solo act, in love's grand setting.
I hear the notes, I feel the tune,
Yet my love song plays only for the moon.

You pass by, unaware of the score,
My heart aches, but you don't hear the encore.
In my symphony, you're the missing chord,
The silent note, that I can't afford.

So I'll keep playing, my solo piece,
Hoping one day, this torment will cease.
My unrequited symphony, a sorrowful song,
A tune for a love, that won't come along.

But Some of Us Are Brave Akasha (Gloria T.) Hull, Patricia Bell-Scott, Barbara Smith, 2016-01-01 Published in 1982 *But Some of Us Are Brave* was the first ever Black women's studies reader and a foundational text of contemporary feminism. Featuring writing from eminent scholars, activists, teachers, and writers such as the Combahee River Collective and Alice Walker, *All the Women Are White, All the Blacks Are Men, But Some of Us Are Brave* challenges the absence of Black feminist thought in women's studies, confronts racism, and investigates the mythology surrounding Black women in the social sciences. As the first comprehensive collection of Black feminist scholarship, *But Some of Us Are Brave* was recognized by Audre Lorde as the beginning of a new era where the women in women's studies will no longer mean white. Coeditors Akasha Gloria T. Hull, Patricia Bell-Scott, and Barbara Smith are authors and former women's studies professors. Brittney C. Cooper is a professor of Women's and Gender Studies and Africana Studies at Rutgers University. She is the author of several books, including *Eloquent Rage*, named by Emma Watson as an Our Shared Shelf read for November-December 2018.

They Also Write for Kids Suzanne Manizza Roszak, 2022-12-28. Outside the world of children's literature, studies of children's books by authors of well-known texts for adults are often forgotten or marginalized. Although many adults today read contemporary children's and young adult fiction for pleasure, others continue to see such texts as unsuitable for older audiences, and they are unlikely to cross-read children's books that were themselves cross-written by authors like Chinua Achebe, Anita Desai, Joy Harjo, or Amy Tan. Meanwhile, these literary voices have produced politically vital works of children's literature whose complex themes persist across boundaries of expected audience. These works form part

of a larger body of activist writing for children that has long challenged preconceived notions about the seriousness of such books and ideas about who in fact should read them They Also Write for Kids Cross Writing Activism and Children s Literature seeks to draw these cross writing projects together and bring them to the attention of readers In doing so this book invites readers to place children s literature in conversation with works more typically understood as being for adult audiences read multiethnic US literature alongside texts by global writers consider children s poetry and nonfiction as well as fiction and read diachronically as well as cross culturally These ways of reading offer points of entry into a world of books that refuse to exclude young audiences in scrutinizing topics that range from US settler colonialism and linguistic prejudice to intersectional forms of gender inequality The authors included here also employ an intricate array of writing strategies that challenge lingering stereotypes of children s literature as artistically as well as intellectually simplistic They subversively repurpose tropes and conventions from canonical children s books embrace an epistemology of children s literature that emphasizes ambiguity and complexity invite readers to participate in redefining concepts such as civilization and cultural belonging engage in intricate acts of cross cultural representation and re envision their own earlier works in new forms tailored explicitly to younger audiences Too often disregarded by skeptical adults these texts offer rich rewards to readers of all ages and here they are brought to the fore
