encounters The similarities pretty much end there though Combat in Sekiro is focused on posture instead of stamina for example so now deflecting enemy strikes is the ideal path to success New attacks are unlocked via experience as opposed to weapons found as well There are plenty of other differences you can even swim in Sekiro From Software has crafted a completely different game and it can all be a little overwhelming to get a grasp on it all Especially since without any co op multiplayer you ll have to take on most of the game alone If you re struggling in your journey across Ashina and need a little help read through our collection of guides We ve got most of the early game covered from the prosthetic upgrades you want to find first to the cure for Dragonrot We ll update this hub of information with additional guides as we create them so be sure to check back on GameSpot whenever you run into a seemingly insurmountable hurdle in Sekiro In our Sekiro Shadows Die Twice review in progress Tamoor Hussain gave the game a 9 10 complementing the game s exhilarating combat intricate environments that reward exploration and satisfying stealth mechanics that encourage you to observe and strategize Looking for help with Sekiro Of course you are because oh my God it is hard If you thought Darks Souls or Bloodborne packed a challenge then prepare to cry at what Sekiro has to offer From impossible to beat Sekiro bosses too confusing maps and more there s so much to work out To help you this Sekiro guide gathers together the essentials A Sekiro walkthrough Sekiro tips Sekiro Prayer Beads Sekiro Gourd seeds Sekiro prosthetics and more on the way If you re sure you want to play this then let us help you So take a look at this book and see what interests you
